Wind-up Luncheon

*Ladies Luncheon*

**4 more  
days wait!**

Firstly, I would like to say thank you to the amazing executive we have. For everything they have done this year for the guild and especially for sending in their blurbs, so I could publish the newsletter. Without them our newsletter would be very small!

It has been a very busy month for our club and as I sit back thinking about April I loved seeing our members step up and help where ever they are needed. Quilted ExpressionZ is only 4 days away and what fun we are going to have bringing to our community a show to feed the senses and inspire others to new heights.

The Quilt Walk is well underway in downtown Penticton and if you haven't gone do so, start with Poppins and pick up the list of stores participating in this years walk. Check out the shops on Main. So many new shops filled with gift items, clothing, personal care the list goes on.

A big shout out to Marilyn McKitrick for taking on the project of Quilts for Humboldt. Barb at Cherry Tree Quilts donated fabric for two complete quilts, quilting threads were donated by Cedars, three gals went to Summerland and cut the pieces for the block on her accuquilt cutter and on the 25<sup>th</sup> a group sewed the blocks together, accepted blocks from members and sent them off to Humboldt.

Cheryl is recovering from surgery and in a regular room in Kelowna General Hospital. We wish her a speedy recovery and look forward to having her back at our meetings in September.

See you on May 5 or 6 at the Quilt Show and at our final meeting of the season on May 9th. Have a fantastic summer!

## Library

Our Summer Break is almost here, time for reading and relaxation. You can take out books/magazines from the Library to enjoy over the summer. May be doing a little quilting or find a project or two to tackle in September. All of you, who have books/magazines signed out right now, please bring them in at our next meeting. If you wish to have them for the summer, please let us know.

ENJOY

Thanks to all members who have held executive positions, currently hold a position or are considering being on our executive. If we all take a turn, we share the load.

If you are not able to volunteer for the executive or a committee this coming year, please think about putting your name forward for the following year. We will be looking for many new executive members, as many of our current officers will have completed their two-year term.

FYI—these are our bylaws regarding executive officers:

#### ARTICLE 4 Officers

4.1 The officers of the Guild are president, past president, president elect, secretary, treasurer, program committee chair and membership committee chair.

4.2 Officers of the Guild are elected at the annual general meeting for a one-year term and shall take office following their election.

4.3 Officers may not hold the same position for more than two consecutive years.

4.4 Two persons may share an officer position.

4.5 If an officer position becomes vacant, the executive may appoint a member to fill the position for the remainder of the term.

#### PENTICTON QUILTERS GUILD

Here are the names of people who have stepped forward to be part of the new executive for 2018/19. We will hold our elections at the May meeting. If I have made an error, please contact me. If you wish to add your name to any position, please let me know.

Thank you. Helen [helenolawrence@gmail.com](mailto:helenolawrence@gmail.com)

Names in black ink: executive members who are willing to remain in that position for another year.

Hello Diane. Here is the quilting loom I was telling you about. I just laid the pieces out, so you can see it vs trying to assemble. The rods are 8 1/2 feet long. We would love this relic to go to a good home and the Penticton Quilters Guild seems like a natural. I can be reached at 250.488.2097. Thanks, and regards. Lisa Renaud.

## *Messages from our Co-Presidents.....*

Wind up time! It seems we only just got started and it is already time to break for summer. It is a well-timed break though coming just after the quilt show. Everyone has worked so hard.

It is almost impossible to believe that for Nonie and me the first year of our two-year term is finished. It went so fast.

I'm so glad a friend brought me to my first guild meeting. The members are all such amazing people, caring, compassionate, helpful, sharing, and hard working with a large capacity for fun. (And goodies). No wonder I enjoy it so much. I hope you feel the same.

Only a few more sleeps till the show. Amongst all the busyness, be sure to take time to enjoy yourself. and I look forward to our luncheon.

Beth Kingzett

What a wonderful year we've had! So many great workshops, demos, fellowship and days of sewing. And now to cap it off, our Quilt Show is here. After all the planning and work it will be here and gone in an instant, so make sure you take time to enjoy it. Amidst all the flurry and frenzy, slow down, breath and savor! This time won't come again.

This is my first show since joining the guild so I'm so looking forward to seeing all the quilts and offerings, taking in the demos, (those I can fit in, anyway), and perusing the boutique goodies. So much to see and do, so little time. It will be an epic weekend, I'll rest afterwards. A few days later and we'll be straight into our meeting and pot luck lunch. Our guild year will draw to an end, but wait, we still have the June workshops and trunk show to look forward to. What a wonderful finish to the year and a great boost to summer creativity.

Have a wonderful summer, relaxing in the sunshine, connecting with friends and family, enjoying the best that our valley has to offer. Store up the images and textures of the landscape and return in September ready to do it all again.

Nonie

*And the winner is?*

*Make sure you come to the Quilt Show to see which of these lovely's is sporting a ribbon.*
