PROGRAM UPDATE by Pati

Our Quilted Hugs Shawl workshop was a great success despite our snowfall. Thanks to Holly for keeping us on track, looking forward to seeing our projects at our next Show and Tell.

February will bring our next “free sew day” on the 27th. Bring your own project to work on or join us in making blocks for CQA’s most recent challenge. Check back on the Dec and Jan newsletter for instructions and information. If you can’t join us, maybe you can make some blocks at home or if you have some extra white or solid red 2 1/2” strips laying around at home, please bring them to our upcoming meeting and we will make good use of them. All blocks will be made into quilts for donation to Quilts of Valour for distribution to Canadian veterans.

In March, we will be working on a Jelly Roll Rug, you will have seen lots of pic’s of these if you spend any time on the internet. You will need 1 jelly roll and lots of batting strips for this one. We still have room if you are interested.

We are still finalizing plans for the April workshop with Syd Hughes. Australian Trad Jazz quilt. See Pati if you are interested.

May – no workshop, but we will have our AGM and potluck luncheon before we wind up for the summer.

We will continue working on our after-meeting project on Feb 13, so don’t forget to bring your projects along with you. You will also need to bring along some 12” squares of muslin with batting and backing in case you are ready to start practicing some stitching but first we will need to draw in some of the quilting lines on our project. Any questions – email Pati de Broekert

Hi there,

I'm your new quilt. I was created by a Grandmother woman in Pennsylvania. She has told me that I have a home with you now; that you will now be my little person. I am thrilled, because it's every quilt's dream to get to belong to a little person. I will love you alot! On cold chilly nights, I will cover you and keep you warm. I love to play so spread me on the floor and play on me. I like to travel, take me on trips with you and I will keep you company. And if you get hurt or sick, hold me close and squeeze me tight and I will do everything I can to make you feel better. With just a little care, I will be around a long time to love you. When I get dirty, put me in the washer—I prefer cold water please, and any laundry detergent you like to use. Never use bleach on me, not even that bleach stuff that's suppose to be safe for colors. And oh....no dry cleaning! That is just too harsh for me. Please be gentle when you take me out of the washer—when I am soaking wet I can be a little vulnerable and if you pull and tug hard on me while I am like this, it could hurt my stitching. Knock me loose in the washer first and gently

lift me out. Put me in a nice warm dryer...not real hot! But be sure to take me out when I am dry: sitting in a cold dryer can make me wrinkle and I always want to look my best for you. I can even be used as a decoration in your room. I can look quite nice hanging on a wall. If you use me as a wall hanging, please keep in mind that sun rays shining through a window on me every day over time can hurt my colors. And....if you ever get too big for me and you don't need me anymore—please don't discard me. Have me "rolled" up and put me in a plastic bag with air holes. I will need a few small air holes, and then put me away in a dry, dark place. And then someday....when you become a big person....maybe you will have a little person of your own. And then maybe....just maybe....you can get me out and let me love again!

Love Always,

Your Quilt

Community Quilts!

We have seen the 1st of the Turing 20 quilt tops and it turned out even better than expected. Thanks to all who took a kit. We are wondering if anyone would be interested in paper foundation piecing. We plan to take a head count at the next meeting and if there is enough interest, we will organize a project. We have a string piecing project ready for after the meeting. Thanks everyone for all your help with these quilts for our community. Cheryl and Peggy

Here is a picture of the **Australian Trad Jazz Quilt** made by Syd Hughes.

If you would be interested in a class on this quilt in April please talk to Pati at the meeting on the 13th.

A word from our President Nonie . .

So much has changed in the past month. Beth Kingzett has passed away. Beth had a quiet presence that belied her strength and influence. She was a kind, caring friend and a talented quilter. She found happiness in sewing everyday and when she took on a project, she went all in. Her daughter, Alynda, told me that when Beth sewed the one block a day quilt for a year, she sewed extra blocks. Variations on an original block or just not good enough blocks were re-sewn until she was satisfied that she had done her best. Writing this blurb today reinforces my awareness of how much I relied on her guidance and friendship. I will miss her as will all who had the privilege of knowing her. Farewell Beth, rest in peace.

Thank you, Holly, for the wonderful workshop on hug shawls. So many different takes on the same pattern. Will we have a fashion show at the meeting?

Elections are coming up at the AGM in May. Marilyn Smith will move up to co-chairman but is looking for someone to join her. The Vice President and Secretary positions will need filling.

Don't forget your DE stash items for the meeting. A great time to clear off the shelves and make room for new goodies. See you on the 13th. Nonie

Members will have the opportunity to speak about Beth during the meeting. How they first met, any time spent together, stories of workshops, etc. Short and sweet.

Elizabeth (Beth) Helen Kingzett

Born in Castlegar on April 9, 1943, Beth passed away in Penticton on January 24, 2019. A long-time Penticton resident, Beth spent many years in the real estate industry; first in administrative roles, then sales, and finally in management as well as training another generation of agents, all while managing a large orchard and raising her family. Pre-deceased by her beloved husband Mike, Beth is survived by her children Brian (Jenny), Kyle (Donna), and Alynda, grandchildren Cole, Spencer, Marissa, and Tiernan, and siblings Patricia, Richard, Glada, Cindy, Sarah, John, Peter, and Dick as well as many cousins and other relatives. Her family would like to extend their thanks for the excellent care Beth received at the Penticton Regional Hospital and Moog & Friends Hospice House. Memorial service details to be determined later. In lieu of flowers, please consider a donation to the Heart and Stroke Foundation of Canada or the Alzheimer Society of Canada.

Quilts of Valor recipients

Thank you, Mari for sending us a copy of this from the Legion newsletter.

Bring your red, white and yellow material for our sew- in at the guild meeting Feb 27th. Or bring your blocks already done. Pattern in the December and January newsletters.
