### Presidents Message

Welcome to a new year of quilting. We are very excited to be co-chairs of our guild for the next two years.

One of our goals is to have shorter meetings to enable us to socialize and sew more! We have some great ideas to run by you, and we would love to hear your ideas and feedback.

We look forward to seeing everyone, see your summer show and tell, and hear of your adventures. Be sure to read all the newsletter every month as there may be a hidden block for you to find and make. We will be giving prizes for various events so it's important to participate!

Let's all have fun, make some new friends with like-minded interests, and learn new quilting skills.

See you soon.

Marilyn and Marg

## First Southern Okanagan Guilds Play Day....

Everyone from the Penticton, Double O and Osoyoos Quilt Guilds is invited to attend this play day full of activities, demos and entertainment. The hall will be open for visiting starting at 8:30 until 8:55. Organized activities begin at 9 am, and coffee will be available at 9:45.

Please keep in mind that we will hopefully have a lot of people in a small space, so it is recommended that you bring only what is essential and can be carried on your person during the day. There will be no tables to pile stuff on. And please be ready to start at 9 am.

### Please bring the following:

- Admission by donation (\$2 –\$ 5 recommended) to cover supplies for activities
- Lunch in a bag with your name on to go into the fridge
- Mug for coffee or a water bottle
- Small notebook and pen.
- Wear clothes suitable for messy activities.

There will be a variety of short small group activities where you will move between stations, a coffee break with goodies and an overview of each guilds' coming workshops in the morning. Following lunch, there will be entertainment and a mini trunk show, so you are sure to be inspired by something on the day and meet new interesting people.

How can you help?

We need five (5) people to bring finger food snacks for the coffee time – fruit plates, cookies, cheese and crackers whatever.

Also looking for three (3) more people who would be interested in showing a quilt they made that has a interesting story. Nothing bigger than a double, be able to talk about the quilts at the Play Day.

Please see Diane Schlamp at the meeting e-mail or call 250-497-2027/250-490-5437

### Fiber Arts

Have you ever wanted to do some fiber art and didn't know quite where to start or wanted to learn new techniques to step up your wall hangings a bit, well this is the place to come! The Artsy Girls will be having their first meeting of the new Quilting year the week before the monthly guild meeting. Mark down the date: Thursday, September 5th, 9:30 at Dianne Birnie's house, 441 Ridge Place in Redwing Resort.

Any members, new or old (that's who have been Quilting for a while -not an age thing!) are welcome! We meet on the first Thursday of each month. There isn't a fee for this group, it's included in the guild membership.

If you would like to join us, or to get an idea of what we do, or have any questions about the group give Dianne a call at 250-770-4766.

I'm looking forward to getting back to guild and seeing all the work we have accomplished over the summer!

Dianne

## Rae's Baby's First

The Health Unit provides a program to new mothers needing guidance with care for their babies. When the mothers complete the Health unit program they receive a Baby quilt for their little one made by our members.

Rae French was our liaison with the Health Unit up until her passing. We are continuing this service to the Health Unit for Rae as well as for the moms and their babies.

Shirley Wild has contacted the Health Unit and at this point they have 20 quilts and they feel they have enough to last till the New Year. I have 7 baby quilts in my possession, Peggy and Pati have a few more that gives us a total have about 17 quilts. When our inventory starts to run low, we will be asking you, our members for your talent, time and kindness.

By the Thank you cards we receive from the mom's they are always most appreciative. Thank you to those who are always giving so generously.

See you in September,  
Shirley and Yvonne.

## Community Quilts

It's time to get back to the work we all love! There is lots to do, as always. This is a reminder to please return any Community Quilts projects you may have. There were some quilts to be quilted, some needed binding and two blocks...strip pieced and crazy. We have more Turning 20 kits ready to distribute. There will be material to make Xmas place mats for Meals on Wheels at the October meeting and a work bee for mats is being planned in November. It will be great to see you all at the meeting, September 11.

Here is a list of groups the Guild donates quilts to: Trinity House, Village by the Station, Haven Hill, Hamlets, West View, SOWENS, RCMP, Emergency Services, St. Vincent de Paul Society at Christmas if asked and Meals on Wheels get place mats at Christmas. We donated quilts to Cash Creek and Rock Creek when they were devastated by fire a few years ago. Local fire victims have received quilts through Emergency Services.

Our work does not go in vain and we have very few finished quilts on hand at any given time. We will continue to report in the newsletter whenever we donate quilts and where.

Cheryl and Peggy

## Library

It has been a busy summer sorting through the very generous donations of books & magazines from the families of Beth Kingzett & Rae French. Fond memories of our past colleagues. We will continue to enjoy their inspiration through their donations to the library! Thanks to Marg Jacques & Penny Lipsack for their help in sorting!

New donations challenge us to broaden our scope, to be inclusive, to be extensive, and to purge the aging collection. Of course, recycling is also a goal of ours. So, at each meeting there will be many discarded books and magazines for you to take and enjoy!

**A reminder to all who have library materials out on loan - please return them Sept. 11.**

Unfortunately, Penny Lipsack who has been a great assistant this past year will be moving to Victoria late fall. I want to thank Penny for her thoughtful, contributions and pleasant cooperative manner. I know we all wish her well!

**Recruiting** for an interested person who would like to help in the library. Must like books!

Looking forward to serving you this year as your Guild librarian. Let me know your suggestions, comments.

Kathy Hofmann

## Memberships
