Message**

Happy Valentines to everyone.

It is nearly retreat time and projects are being cut to take and work on. Hope the weather stays nice as it is much nicer to swim in sun than snow!

The Mystery Quilt is moving along at a fast pace. Thank you to all that came to the free sewing day as some of you were working on the Mystery Quilt.

Lots to remember for February, wear something red, remember the secret word and wear your name tag.

See you on February 12th.

Programs . . . with Pati

Thanks to all who participated in our latest free sew day in January - lots of interesting projects being worked on by many of our members.

What's coming?

February -

Linda Van Gastel will be teaching her first class with us on February 26. The beautiful batik Garden Maze table topper or runner. She will bring the supply list with her to our next meeting for those that have signed up. The class is now full

March -

Kathy Kirby will be teaching her thread painting class with us on March 25. We will be doing a Bluebird this time around; I will have the sample with me at our next meeting and the limited supply list will be emailed to those already signed up. Kathy provides a kit with most of what you will need for the class and the fee is \$15.00 payable at the class directly to Kathy.

April -

Eileen Zornes will continue in Part 2 of her It's all in the Details workshop on April 22. This was very popular with the members who participated in her Part 1 class and many have already signed up for this one as well.

That will finish off this year for Program as we will have our AGM and luncheon in May.

Rea's
Baby's
First:

Shirley Wild contacted Karen Ann Atkinson from the Health Unit regarding baby quilts for their program. They are not in need of quilts at this time but maybe in the spring and Karen Ann will contact Shirley at this time. We have a healthy inventory of 14 quilts ready when the request comes in. Thank you to all who have donated baby quilts for this cause.

Community Quilts

Peggy and Cheryl are still looking for a couple of our members willing to become Community Quilts coordinators. It is such a worthwhile project, so many people benefit from it! Please consider taking it on for a year - training available.

An assistant is needed in the Advertising area for our Quilt Show – April 2021

If you are Creative or a detailed person, like to take photos, update lists, send out adverts, write up PR for papers, set up displays and possibly help with a quilt walk I would love to talk to you. Assisting is a great way to get to know what goes on in the Show planning and you get to meet interesting people along the way. It's not an overwhelming job but a creative one and I would love to have several quilters join me to assist, share their ideas and work together to make this show the best!

See Diane at one of the meetings or email me at dianesch@telus.net
