

Presidents' Message

It was wonderful to get back into the swing of quilting again as well as to see and visit with our quilting friends. It was also great to see the projects everyone has been working on. Hope we didn't scare any members off with the request we made during the meeting, such as the placemat expectations, monetary donations for the Salvation Army and S.O.W.I.N.s. as well as a Runner & 4 Placemat donation to Black Rabbit's raffle. Thanks to Annie's group the Black Rabbit donation has been completed.

Thank you Sherry for your demo – another technique to put into our bag of quilting tricks.

Thanks to all of you who came out to our Placemat Sew Day. It was super to be working towards a common goal. Please bring your placemat(s) to our October 12th meeting.

We also have our "De-Stash Day" coming up at our next meeting. Dig out those items you would like to sell, then look at what is on the selling tables to buy because if we have space we need to fill it, don't we? We are looking forward to seeing everyone then.

Enjoy your Thanksgiving weekend.
